

Civilianz is the premier coaching centre in Kerala exclusively for civil engineering competitive exams. Founded by a group of young Civil Engineers in 2012, we succeeded in moulding 1500 + Govt. employees across the state over the last 6 years. With our corporate office at Trivandrum, we have an exceptional outreach all over Kerala. Our team of dedicated Civil Engineering faculty nurtured, refined and trained by experienced professionals is best in class across the state. Apart from a business, we are committed in moulding qualified engineers for public sector engineering services.

Our GATE Civil course is designed with a crafted pedagogy to teach students from basic to advanced levels of each subject. We offer Direct classroom courses and online courses for GATE 2022 Civil. Students can access the recorded versions of the live classes, even if they miss any class during their busy schedule. Exclusive doubt clearance sessions and discussion forums are enabled after each day's class and students can get their doubts solved by our expert academic team.
